

Sheets Subdivision, Section 2

Washington Township, Section 1, T27N, R14E
Adams County, Indiana

RESTRICTIONS

All utility easements as dedicated on the face of the plat shall be kept free of all permanent structures and the removal of any obstructions such as structures, trees, shrubbery, fences, or other installation thereon, whether temporary or permanent, by a utility company shall in no way obligate the utility company in damages, or, to restore the obstruction to its original form.

Before any lot or tract located within the subdivision may be used and occupied, such use or occupier shall first obtain from this Zoning Administrator the Improvement Location Permit required by the Adams County Zoning Ordinance.

Before any house or building on any lot or tract in the subdivision shall be used and occupied as a dwelling or as otherwise provided in subdivision restrictions, the developer or any subsequent owner of said lot or tract shall install all improvements serving said lot or tract as provided in said plans and specified filed with the Commission.

Before any house or building on any lot or tract in the subdivision shall be used or occupied as a dwelling or as otherwise provided in the subdivision restrictions and zoning article, the developer or any subsequent owner of said lot or tract shall first obtain from the Zoning Administrator the Certificate of Occupancy as required by the Adams County Zoning Ordinance.

Prohibiting individual or collective injunctive action against nuisances such as noise, dust or odors arising from normal agriculture operations which may abut or be near said subdivision.

Prohibit owners or visitors from parking along road in such a way that passage of farm machinery would be impeded.

SEPTIC NOTE

The approval of the Adams County Health Department herein granted is subject further to compliance with 410 IAC 6-8.3 and Adams County Sewage Ordinance No.2018-10 as from time to time amended. Approval by Health Department herein does not represent or warrant that any particular lot in this subdivision is suitable for an on-site sewage disposal system that would be in compliance with the applicable rules and regulations of the state and Adams County and determination of the suitability of such lot for such purposes is the sole responsibility of the purchaser of any such lot.

WELL NOTE

Lot to be serviced by private well, if applicable.
